

## How to make your badge

**Step 1** Print out your Team WILD badge.

**Step 2** Cut out your badge around the dotted line and stick it on cardboard. Ask a grown-up to help you cut it out.

**Step 3** Cut out the badge on the cardboard and attach a safety pin to the back using strong tape. Ask a grown up to help – pins are sharp!

**Step 4** You can stick other things to your badge to personalise it!

**Step 5** You're ready to wear your badge! You are now an official member of Team WILD – an elite squadron of science superheroes!
